Nursery and early years meals

Fresh, seasonal homecooked
food delivered to your
nursery or primary school

Hot, delicious and
ready to serve

www.yummyumfoodcompany.co.uk

**Delivered from our ovens to
your nursery or primary school
ready for the children to enjoy.**

Delivering nutritious, homecooked meals
to your nursery or school, every day.

**Our delicious menus cater for a
wide variety of tastes and cultures.**

Offering children the traditional meals
they all love whilst encouraging them to
try new dishes from around the world.

We've made ordering online simple and
straightforward for you to do from your PC, tablet or
mobile device making it super-convenient that works
around a busy nursery or primary school.

**Order online. Set reminders, manage
the children's allergies and email /print
the menus for your parents to see.**

We are an accredited meal delivery service for nurseries and schools.

So, what's it all about? We are a private contract catering company delivering a hot daily menu or a frozen weekly menu to your nursery or school.

Once your account is activated you can submit your orders online, tell us about any of the childrens' individual allergy requirements and order for a week, a month or whole term at a time.

We offer a hot lunch and cold tea menu for every day from Monday through to Friday and cater for vegetarians, vegans, dairy and gluten free, and all other dietary needs. Our premises are strictly nut free.

We then deliver your meals every day, ready for you to serve.

We are proud to have achieved our EU Registration.

What we do

You choose how often you need meals delivered.

You choose whether you'd like a vegetarian option.

You tell us what allergies the children have.

We deliver good value, homecooked, nutritious meals for your nursery or school.

www.yummyfoodcompany.co.uk

How it works

Very simply, that's how!

Once your account is set up by our team, you'll have your own online dashboard where you can order the number of meals you'd like from our menu, tell us about any specific allergy requirements your children have.

We also understand that planning is vital to a nursery's daily operation so you can even order the meals for weeks or months at a time.

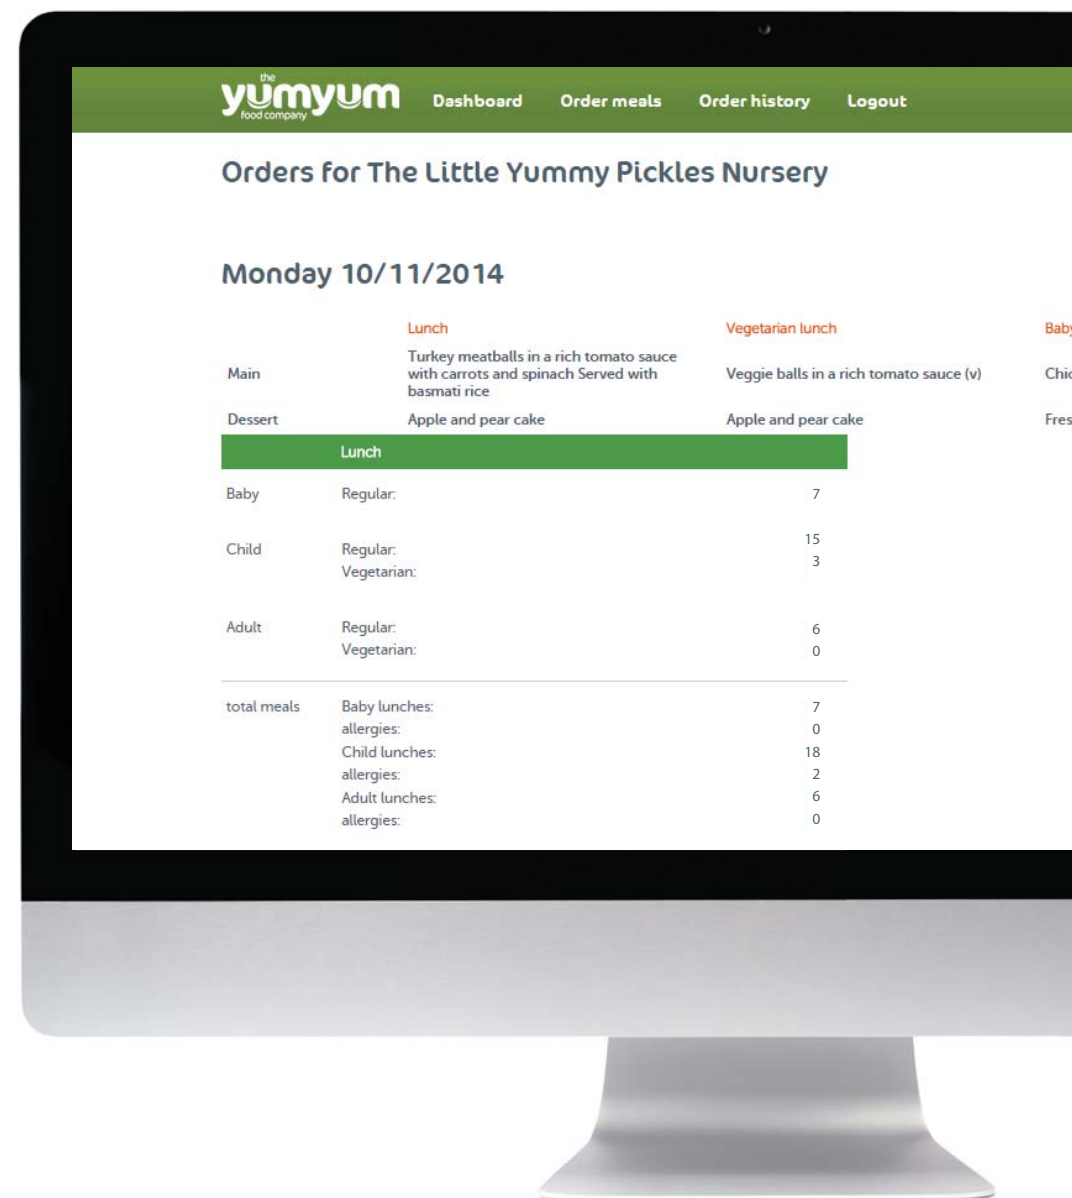

You will receive confirmation of you've ordered. We'll also send your reminders.

Yum Yums wants to take the stress and effort of meal times out of your hands and provide you with a meal delivery service that is convenient, value for money and meets the current nutritional guidelines for children.

If you would like to see how this would benefit your nursery/primary school, why not contact us now to discuss your meal requirements?

Our yummy menu

Let's face it, it can be a real challenge getting children to eat, especially trying to encourage them to eat healthy things, too.

That's where our extensive experience of cooking for young children comes in. We've learnt how to make good, homecooked food appealing to the little ones whilst keeping it good value and nutritious.

We provide a 3-week rotational lunch and tea menu suitable for children aged between 0 to 11 years old with recipes suitable for each age group and dietary requirement.

We have a dedicated area in our kitchens for the preparation of meals for children with specific allergies. A member from our allergy kitchen team will be assigned to your nursery or primary school.

We believe in catering for every single child without exclusion and have 10 years experience in developing dishes to accommodate all allergy requests. You simply have to submit your order online, providing us with all allergy information and we will do the rest. Every meal provided is checked and produced with the individual child's allergy condition in mind. No exceptions. For example, if it's a chilli con carne day with red kidney beans, and we have a vegetarian child, we would make them chilli con carne using soya mince. If dessert was apple and peach crumble with custard and we had a dairy or gluten free child, we would send a soya custard for the dairy free child and make a vegan cake specially for the vegan child, this is what makes Yum Yum's so unique - we work hard to ensure every single child can enjoy a meal, regardless of their allergies, that is delicious, nutritiously balanced, and most importantly, looks as similar as possible to the regular menu.

We follow strictly the food guidelines in respect to allergens as set down by the Government's Food Standards Agency. For more information on the current food standards and allergen consideration, please visit The Food Standard Agency's website at: www.food.gov.uk.

Our yummy menu

We change our menu regularly to reflect the amazing seasonal produce available to us at different times of the year.

As well as being a great way to support our producers, eating seasonally benefits the children as they will be constantly trying new flavours and textures.

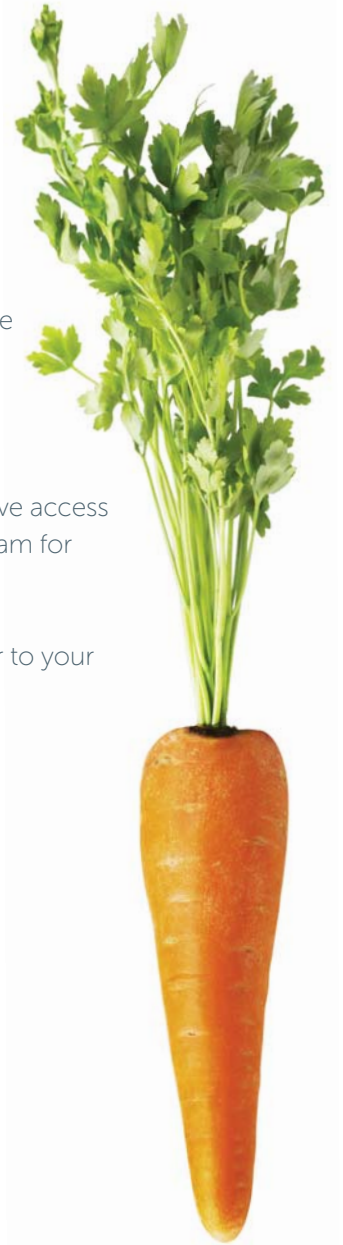

If you'd like to view our latest menu, head on over to our website where you can see what we have to offer.

Connecting with parents.

To help you communicate to the parents of your nursery / primary school's children about Yum Yums and the food we provide, we offer the following support:

- We will help you create a letter to send to the parents explaining why you have chosen Yum Yums and who we are as your meal service provider
- Parents with babies under 12 months will have access to a dedicated member of the Yum Yums team for any initial questions
- You may order a buffet tasting menu to offer to your parents for an open day or parent evening.

Taste it for yourself

One of the best ways to see how our nursery catering service will fit into your nursery or primary school is to try it for yourself.

We offer a sample service, where you can enjoy a taster-sized selection from our current menu as we believe our food speaks for itself. A small refundable delivery charge may apply.

We believe in supporting nurseries of any size. If you are thinking of opening a nursery, please get in touch so we can help you plan ahead.

If you would like one of our team to call you to discuss the sample service, please complete the short form on the samples page of our website or call us on:

0203 302 6920

www.yummyfoodcompany.co.uk

We'd love to hear from you!

Getting in touch with Yum Yums is as easy as pie (mmm, pie!).
Simply give us a call on:

0203 302 6920

or email us at:

info@yumyumfoodcompany.co.uk

Or complete the form on our website and one of the team will get back to you as soon as they've taken our delicious beetroot cake out of the oven.
